

SYSCO/SPARC

2005-2006

Special Project Grant

All Staff and Students belonging to a SPARC school are eligible to participate in this grant program. Each month of the school year, one special grant will be awarded to a qualifying SPARC school. The grant will consist of a \$100.00 cash award (awarded to the school) to be used to fund a Special Project. Almost any school sponsored event project can qualify for the grant, including but not limited to: supplies for a special art project, reading materials for a lecture series, or equipment for a community or school activity. The Special Projects possibilities are endless!

Applicants must submit a short statement describing the special project and this form to Kenyatta Brame, Senior Vice President of SYSCO no later than the 15th of each month. Applicants may submit only one Special Project Application per month for consideration. Special Project Applications not selected will carry over to the next month.

The Selection Committee will use the following criteria to evaluate the Special Project Applications: nature of project, how the project enhances education and how the projects benefits students and/or community. Winners will be notified on or before the last day of each month. The Selections Committee's decisions are final.

The following individual is the recipient of our Special Project Grant for the month of February:

Denise Lijewski, Manistee High School

“Healthy Vending Machine”

This grant will be used to help purchase a vending machine that sells healthy food. Denise states “With the growing obesity pandemic clutching to our younger members of our society, encouraging more nutritious snacks to students now will help them make better choices in the future.”

A check in the amount of \$100.00 will be mailed to Manistee High School to be used for this Special Project.

October's Winner: Matt Phillips - Manistee Middle School
November's Winner: Linda Boyd - Pine Avenue Elementary School
December's Winner: Carol Herman - Vestaburg Community Schools
January's Winner: Sheila Casey - Ithaca Middle/Senior High School

SYSCO cares!
